Senior Ad Contract

Congratulations seniors, you've made it through high school! Now it's time to secure those great high school memories by placing a senior ad in Seaholm's award-winning yearbook, *The Piper*.

Senior families have complete autonomy over the look, design and content of their advertisement. Of course, if you'd like our help, we'd be more than happy to design an ad for you.

As a senior advertiser, you agree to place an advertisement in the 2013 edition of *The Piper* in the terms agreed upon below.

This year you have two options for creating your senior ad. You may create it yourself online at Jostensadservice.com and pay with a credit card or you may have it designed by the yearbook staff. To have the yearbook staff create your ad, by complete this form and submit it and all of your materials to the yearbook room. All ads must be received by January 11, 2013. A proof of the ad will be available before publication.
