Ordering Procedure for the 2013 Yearbook

Bring this form and payment to orientation/registration so you can save $10

DEAR PARENTS AND STUDENTS:

We are asking all students and parents to order the 2013 school yearbook at the beginning of the school year so we can get an accurate count of how many books to order from Jostens, our printer. This process will help us budget our costs and plan the best edition possible to re-capture all of the memories, friendships, accomplishments, and participation that can be enjoyed not only when the book is published in May, but also in subsequent times, long after your teen years, when looking back on high school life, activities, events, and friendships becomes even more meaningful (and, at times, more humorous).

All students have the ability to order a book and can also personalize their edition on the cover with a name, second line of text if desired, and can add from 1 to 4 icon artworks, showing special interests or participation. They can also request extra autograph pages. Payment should be submitted with this order form, payable to *Southgate Anderson High School*. For more information regarding the yearbook and to order one online using a credit card please click on the yearbook link on the left side of the school's homepage.
