

# YEARBOOK

Dear Parents:

Every year starting at the beginning of first semester, yearbooks are sold. Every year at the end of the second semester, students wonder why they did not receive one. It is because they did not order one.

The 2014 Esuerc sales campaign has begun. If you would like to purchase a yearbook for your son or daughter, please, use the online method to do so at <http://www.itsyouryearbook.com/L-AnseCreuse.html>. Also, check out this site to submit photos and to receive ad information for senior students.

Fill in the student's first name, last name, and grade (homeroom is not necessary) and continue to fill in billing information, finalize order, and print a receipt for verification purposes.

Deadline dates and prices are the following:

- Lancer Sales (August 26-September 13): \$60 (\$20 savings)
- Holiday Sales (September 14-December 31): \$65 (\$15 savings)
- Spring Sales (January 1-May 4): \$70 (\$10)

\* Sales online will be shut off as soon as book sells out, so for mail orders only, there are no guarantees that a book will be available after the New Year. You will be notified if your money was not accepted.

Orders will not be accepted after May 4. Any extras will be sold at distribution (end of May) for \$80 CASH ONLY)

If you do not have access to a computer, please, mail check or money order (**made payable to LCHS**) and form (fill out **one form per child**; payment can be made in one check) before given deadline date.
