

**ELEMENTARY PHOTO SUBMISSION**  
THIS SECTION IS SEPARATE FROM THE  
“SENIOR AD RECOGNITION” SECTION

September 2011

Dear Parents,

As a courtesy to our yearbook staff, please send an elementary photo (preferably from grades K-4) of your student.

These photos will be used in a special section of the yearbook (**these photos are not part of the “senior recognition ad” section**). If you decide to purchase a senior recognition ad, you may send the elementary photo in with your order. Please label the photo as “*elementary photo*” so the staff knows to include it in the special section. **If you do not purchase an ad, we would still appreciate an elementary photo of your student.**

You may send it to the school, send it with your student, or bring the photo to the main office. Please label the photo with the name of your student and “elementary photo” on the back. The deadline for elementary photos is Friday, November 4th. No elementary photos will be accepted after this date.

Thank you,
