

ELEMENTARY PHOTO SUBMISSION
THIS SECTION IS SEPARATE FROM THE
“SENIOR AD RECOGNITION” SECTION

September 2013

Dear Parents,

As a courtesy to our yearbook staff, please send an elementary photo (preferably from grades K-4) of your student.

These photos will be used in a special section of the yearbook (**these photos are not part of the “senior recognition ad” section**). We would like to have these pictures by **Friday, November 15th**. *This deadline is set for the early Senior Ad deadline—please be aware of the date.* If you decide to purchase a senior recognition ad, you may send the elementary photo in with your order. If not, please send an elementary photo to the school, with your student, or bring the photo to the main office. The yearbook room is located in room 139. Please label the photo as “*elementary photo*” and include their *first/last name* so the staff knows to include it in the special section. **We are trying to collect elementary pictures of all SENIORS.**

You may send it to the school, send it with your student, or bring the photo to the main office. Please label the photo with the name of your student and “elementary photo” on the back. The deadline for elementary photos is Friday, November 15th. No elementary photos will be accepted after this date.

Thank you,
