Rachel McLennan

Dear Rachel,
What a blessing. Our first child, a miracle baby. We watched
you grow into a bright, mature young woman. You've been a
great role model for your sister. We are proud of you and all
of your achievements. We support you with your good health,
happiness and success. May all of your dreams come true.
All our love,
Mom, Dad and Becca

Nick and Scott Fowler

Dear Nick and Scott,
It seems like only yesterday that you two
were climbing on the little Tylics furniture in
our living room. The private talk and the
laughter between the two of you will always
be special. Watching both of you in sports
has been such a joy for us. We are so proud
of the kind and courageous young men
you've become and the way you have
handled yourself in these activities, and
especially, your academic achievements in
the classroom. Remember, you will always
have our love and support.
We Love You Very Much,
Mom, Dad & Ashley
